Understanding what **Alston Digital** can provide to Teachers

It is an online academic delivery platform that provides you with digital resources and learning materials from Alston Education. Our platform features:

Learn/Read eBooks

Learn from eBooks from Alston Education and additional learning resources prepared by the authors of your books.

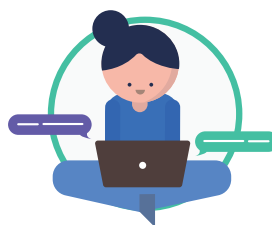

Give Assignments

Create, assign, receive and grade assignments and provide feedback (Normal, Testpaper or eBook assignments).

Review Performance

Get reports of students to gain insight of their platform activity.

Chat and Announcements

Interact with students via group chat rooms, make announcements to students or provide eConsent forms to parents.

Opening the Doors of Knowledge

On Alston Digital, we open the doors of knowledge and possibilities to you. To access the digital contents you need to use the login credentials provided to you by the school administrator as you cannot register yourself as a Teacher.
