Feature Update Release

Feb 20, 2025

Note: Features might be updated periodically without prior notice to provide a better experience.

Class Group

For schools that organise classes or grades into sections or shifts, all related information has now been added into a new row, **"Class Group"**.

This update appears on the **Class, Student,** and **Teacher** reports.

Class Report

Leaders can use the **"All Class Groups"** filter to search for any class information.
